[Preamble]

2 **The Governments Undersigned**

3 **Considering** that it is desirable to amend the Convention for
the Unification of Certain Rules Relating to International Car-

4 **Have Agreed** as follows:

6 **Article I**

7 In Article 1 of the Convention -

8 (a) paragraph 2 shall be deleted and replaced by the
following:-

9 “2. For the purposes of this Convention, the expression in-
ternational carriage means any carriage in which, accord-
ing to the agreement between the parties, the place of de-
parture and the place of destination, whether or not there
be a break in the carriage or a transshipment, are situated
either within the territories of two High Contracting Parties
or within the territory of a single High Contracting Party if
there is an agreed stopping place within the territory of an-
other State, even if that State is not a High Contracting
Party. Carriage between two points within the territory of a
single High Contracting Party without an agreed stopping

place within the territory of another State is not international
carriage for the purposes of this Convention.”

(b) paragraph 3 shall be deleted and replaced by the 10
following:-

11 “3. Carriage to be performed by several successive air car-
riers is deemed, for the purposes of this Convention, to
be one undivided carriage if it has been regarded by the
parties as a single operation, whether it had been agreed
upon under the form of a single contract or of a series of
contracts, and it does not lose its international character
merely because one contract or a series of contracts is to
be performed entirely within the territory of the same State.”

the contract of carriage which shall, none the less, be sub-
ject to the rules of this Convention. Nevertheless, if, with
the consent of the carrier, the passenger embarks without
a passenger ticket having been delivered, or if the ticket
