## 1 WTO/GATT Marrakesh Declaration of 15 April 1994

### [Ministerial Declaration]

2 Ministers,

3 Representing the 124 Governments and the European Commu-  
nities participating in the Uruguay Round of Multilateral Trade  
Negotiations, on the occasion of the final session of the Trade  
Negotiations Committee at Ministerial level held at Marrakesh,  
Morocco from 12 to 15 April 1994,

4 Recalling the Ministerial Declaration adopted at Punta del Este,  
Uruguay on 20 September 1986 to launch the Uruguay Round  
of Multilateral Trade Negotiations,

5 Recalling the progress achieved at the Ministerial meetings  
held at Montreal, Canada and Brussels, Belgium in December  
of 1988 and 1990 respectively,

6 Noting that the negotiations were substantially concluded on 15  
December 1993,

7 Determined to build upon the success of the Uruguay Round  
through the participation of their economies in the world trad-  
ing system, based upon open, market-oriented policies and the  
commitments set out in the Uruguay Round Agreements and  
Decisions,

8 Have today adopted the following

9 1. Ministers salute the historic achievement represented by the  
conclusion of the Round, which they believe will strengthen the  
world economy and lead to more trade, investment, employ-  
ment and income growth throughout the world. In particular,  
they welcome:

10 - the stronger and clearer legal framework they have adopted

for the conduct of international trade, including a more effective  
and reliable dispute settlement mechanism,

- the global reduction by 40 per cent of tariffs and wider market- 11  
opening agreements on goods, and the increased predictability  
and security represented by a major expansion in the scope of  
tariff commitments, and

- the establishment of a multilateral framework of disciplines for 12  
trade in services and for the protection of trade-related intellec-  
tual property rights, as well as the reinforced multilateral trade  
provisions in agriculture and in textiles and clothing.

2. Ministers affirm that the establishment of the World Trade 13  
Organization (WTO) ushers in a new era of global economic co-  
operation, reflecting the widespread desire to operate in a fairer  
and more open multilateral trading system for the benefit and  
welfare of their peoples. Ministers express their determination  
to resist protectionist pressures of all kinds. They believe that  
the trade liberalization and strengthened rules achieved in the  
Uruguay Round will lead to a progressively more open world  
trading environment. Ministers undertake, with immediate ef-  
fect and until the entry into force of the WTO, not to take any  
trade measures that would undermine or adversely affect the  
results of the Uruguay Round negotiations or their implementa-  
tion.

3. Ministers confirm their resolution to strive for greater global 14  
coherence of policies in the fields of trade, money and finance,  
including cooperation between the WTO, the IMF and the World  
Bank for that purpose.

4. Ministers welcome the fact that participation in the Uruguay 15  
Round was considerably wider than in any previous multilat-  
eral trade negotiation and, in particular, that developing coun-  
tries played a notably active r le in it. This has marked a his-  
toric step towards a more balanced and integrated global trade

partnership. Ministers note that during the period these negotiations were underway significant measures of economic reform and autonomous trade liberalization were implemented in many developing countries and formerly centrally planned economies.

16 5. Ministers recall that the results of the negotiations embody provisions conferring differential and more favourable treatment for developing economies, including special attention to the particular situation of least-developed countries. Ministers recognize the importance of the implementation of these provisions for the least-developed countries and declare their intention to continue to assist and facilitate the expansion of their trade and investment opportunities. They agree to keep under regular review by the Ministerial Conference and the appropriate organs of the WTO the impact of the results of the Round on the least-developed countries as well as on the net-food importing developing countries, with a view to fostering positive measures to enable them to achieve their development objectives. Ministers recognize the need for strengthening the capability of the GATT and the WTO to provide increased technical assistance in their areas of competence, and in particular to substantially expand its provision to the least-developed countries.

17 6. Ministers declare that their signature of the “Final Act Embodying the Results of the Uruguay Round of Multilateral Trade Negotiations” and their adoption of associated Ministerial Decisions initiates the transition from the GATT to the WTO. They have in particular established a Preparatory Committee to lay the ground for the entry into force of the WTO Agreement and commit themselves to seek to complete all steps necessary to ratify the WTO Agreement so that it can enter into force by 1 January 1995 or as early as possible thereafter. Ministers have furthermore adopted a Decision on Trade and Environment.

7. Ministers express their sincere gratitude to His Majesty King Hassan II for his personal contribution to the success of this Ministerial Meeting, and to his Government and the people of Morocco for their warm hospitality and the excellent organization they have provided. The fact that this final Ministerial Meeting of the Uruguay Round has been held at Marrakesh is an additional manifestation of Morocco's commitment to an open world trading system and to its fullest integration to the global economy. 18

8. With the adoption and signature of the Final Act and the opening for acceptance of the WTO Agreement, Ministers declare the work of the Trade Negotiations Committee to be complete and the Uruguay Round formally concluded. 19
