Teaching law students to think with – and against – AI

Panel remarks · Vishv Priya Kohli
Associate Professor, Department of Business, Humanities and Law, Copenhagen Business School
NORLEN webinar: AI in Legal Education · 22 October 2026

Where I stand

Text gets cheap – judgement gets scarce

TEXT

Draft

Structure

JUDGEMENT

Question

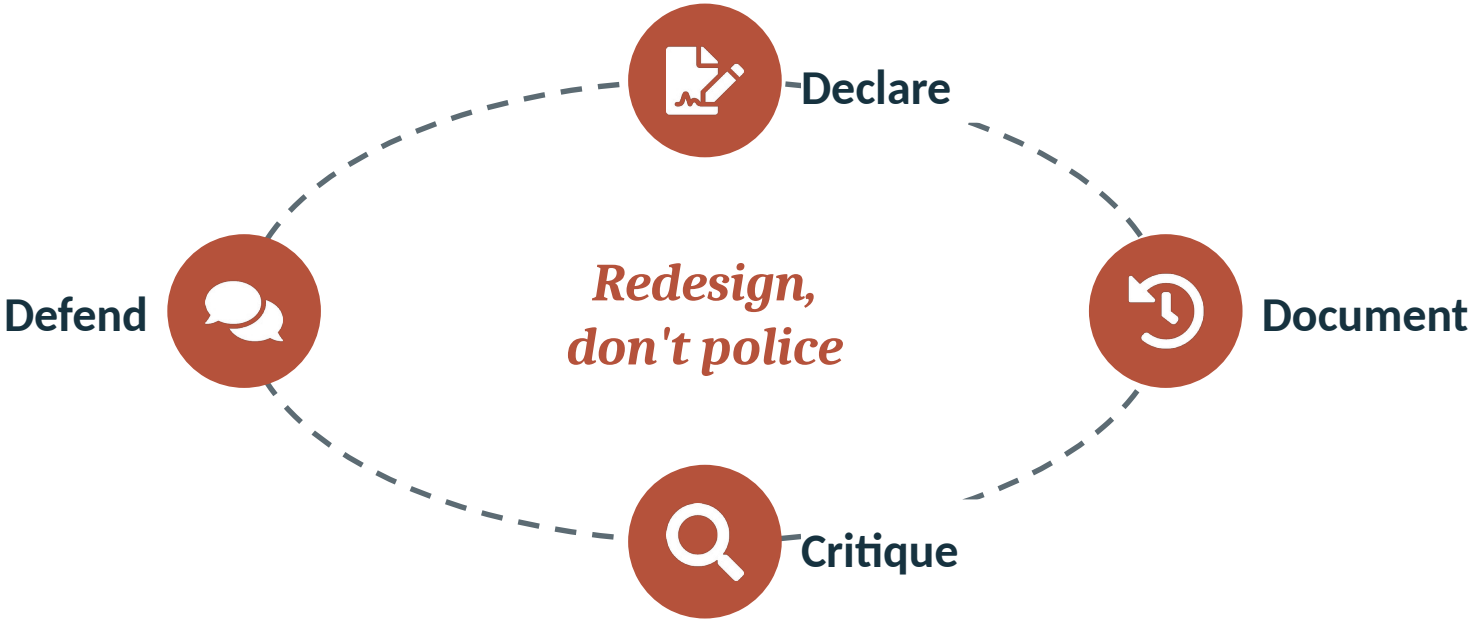

Verify

Decide

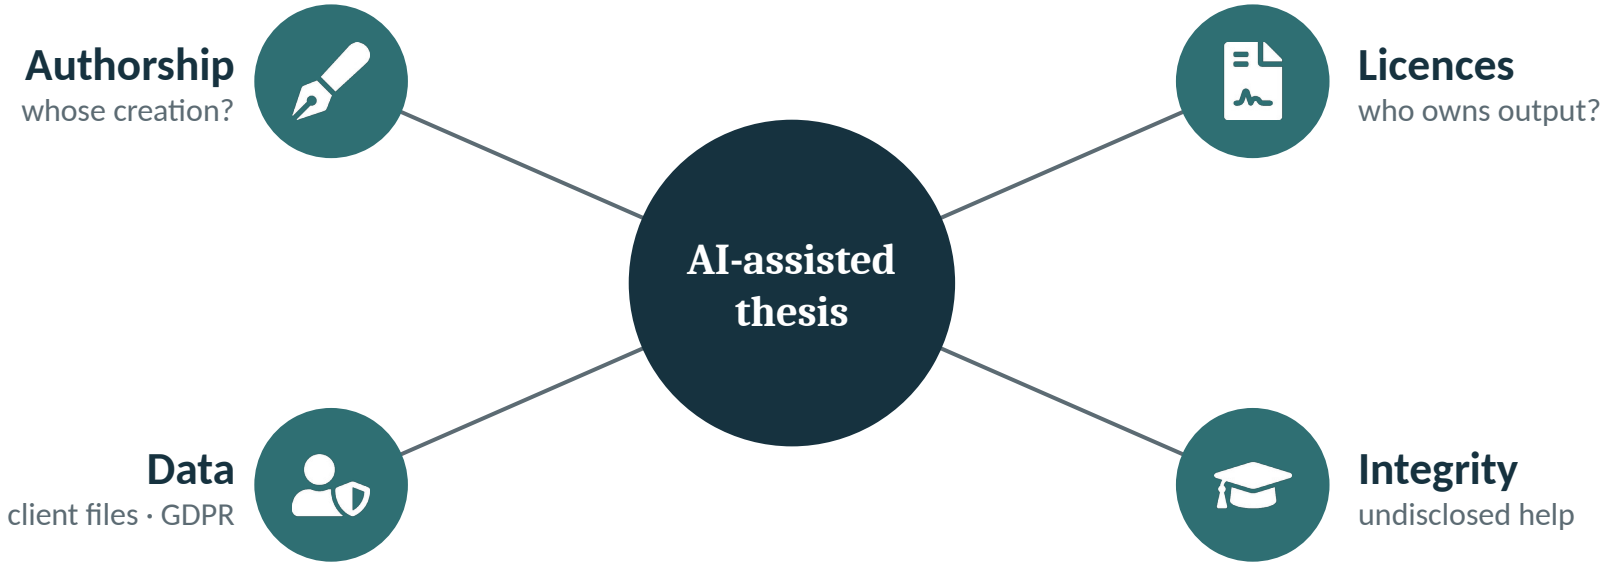

Three layers of competence

Assess the process, not just the product

IP and integrity questions

Questions for the panel

A Nordic standard?

Foundations vs fluency?

Who is the author?

Thank you · Vishv Priya Kohli · vpk.bhl@cbs.dk
