7 *[Preamble]*

8 **The Governments Undersigned**

9 CONSIDERING that it is desirable to amend the Convention for
10 the Unification of Certain Rules Relating to International Carriage
11 by Air signed at Warsaw on 12 October 1929

12 **Have Agreed** as follows:

13 **Chapter I - Amendments to the Convention**

14 **Article I**

15 The Convention which the provisions of the present Chapter modify
16 is the Warsaw Convention, 1929.

17 **Article II**

18 .Article 22 of the Convention shall be deleted and replaced by the
19 following:-

20 "Article 22

21 1. In the carriage of passengers the liability of the carrier for
22 each passenger is limited to the sum of 8 300 Special Drawing
23 Rights. Where, in accordance with the law of the court seised
24 of the case, damages may be awarded in the form of periodic

25 payments, the equivalent capital value of the said payments
26 shall not exceed this limit. Nevertheless, by special contract,
27 the carrier and the passenger may agree to a higher limit of
28 liability.

29 2. In the carriage of registered baggage and of cargo, the li- 12
30 ability of the carrier is limited to a sum of 17 Special Draw-
31 ing Rights per kilogramme, unless the consignor has made,
32 at the time when the package was handed over to the carrier,
33 a special declaration of interest in delivery at destination and
34 has paid a supplementary sum if the case so requires. In that
35 case the carrier will be liable to pay a sum not exceeding the
36 declared sum, unless he proves that that sum is greater than
37 the consignor's actual interest in delivery at destination.

38 3. As regards objects of which the passenger takes charge 13
39 himself the liability of the carrier is limited to 332 Special Draw-
40 ing Rights per passenger.

41 4. The sums mentioned in terms of the Special Drawing Right 14
42 in this Article shall be deemed to refer to the Special Drawing
43 Right as defined by the International Monetary Fund. Con-
44 version of the sums into national currencies shall, in case of
45 judicial proceedings, be made according to the value of such
46 currencies in terms of the Special Drawing Right at the date
47 of the judgment. The value of a national currency, in terms of
48 the Special Drawing Right, of a High Contracting Party which
49 is a Member of the International Monetary Fund, shall be cal-
50 culated in accordance with the method of valuation applied by
51 the International Monetary Fund, in effect at the date of the
52 judgment, for its operations and transactions. The value of a
53 national currency, in terms of the Special Drawing Right, of a
54 High Contracting Party which is not a Member of the Interna-
55 tional Monetary Fund, shall be calculated in a manner deter-
56 mined by that High Contracting Party.

15 Nevertheless, those States which are not Members of the International Monetary Fund and whose law does not permit the application of the provisions of paragraphs 1, 2 and 3 of Article 22 may, at the time of ratification or accession or at any time thereafter, declare that the limit of liability of the carrier in judicial proceedings in their territories is fixed at a sum of 125 000 monetary units per passenger with respect to paragraph 1 of Article 22; 250 monetary units per kilogramme with respect to paragraph 2 of Article 22; and 5 000 monetary units per passenger with respect to paragraph 3 of Article 22. This monetary unit corresponds to sixty-five and a half milligrammes of gold of millesimal fineness nine hundred. These sums may be converted into the national currency concerned in round figures. The conversion of these sums into national currency shall be made according to the law of the State concerned.”

16 **Chapter II - Scope of Application of the Convention as Amended**

17 **Article III**

18 The Warsaw Convention as amended by this Protocol shall apply to international carriage as defined in Article 1 of the Convention, provided that the place of departure and destination referred to in that Article are situated either in the territories of two Parties to this Protocol, or within the territory of a single Party to this Protocol with an agreed stopping place in the territory of another State.
