		Article 3	19
		The import of technology and equipment which had been invested as capital stocks upon the establishment of the Sino-Foreign joint venture, cooperative enterprise or wholly foreign-owned enterprise shall abide by the regulations of the Law of the People's Republic of China on Sino-Foreign Equity Joint Ventures and its Implementation Rules.	20
		Chapter 3 - Administration Institutions of Technology Introduction and Equipment Importation	21
		Article 4	22
		The administration institutions of technology introduction and equipment importation is the Ministry of Foreign Trade and Economic Cooperation (MOFTEC) of the People's Republic of China, as well as departments, commissions and bureaus	23

of foreign trade and economic cooperation authorized by MOFTEC in various provinces, autonomous regions, municipalities directly under the Central Government and special economic zones (hereinafter referred to as Department of Foreign Administration).

Article 5

MOFTEC shall be responsible for the management on foreign trade of technology introduction and equipment importation projects approved by functional departments of the State Council or enterprises under separate plans authorized by the State Council. Project of technology introduction and equipment approved by functional department of the People's Government of various Provinces, autonomous regions, municipalities directly under the Central Government and special economic zones shall be administrated by the department, commission or bureau of foreign trade and economic cooperation in the province, autonomous regions, municipality directly under the Central Government or the special economic zone with authorization granted by MOFTEC.

Article 6

Department of Foreign Administration shall participate in such preparatory work as drawing up the project for technology introduction within its limits of granted authorization.

Chapter 4 - Administration on Undertaking or Acting as Agent for Projects of Technology Introduction and Equipment Importation

Article 7

Undertaking or acting as agent for foreign trade of technology introduction and equipment import projects shall follow the pattern of taking effect upon registration.

Article 8

A legal person or institution with operational right of foreign trade (hereinafter referred to as Unit of Foreign Trade) can undertake itself or entrust freely another Unit of Foreign Trade as its agent for foreign trade of technology introduction and equipment importation.

Legal persons or institutions who are not authorized to carry out foreign trade can entrust Unit of Foreign Trade to act as agent for them in undertaking foreign trade of technology introduction and equipment importation.

The two sides shall sign formal contracts of trust on foreign trade agency in compliance with the Provisional Rules on Foreign Trade Agency System promulgated by MOFTEC on August 29, 1991.

Article 9

After undertaking or being entrusted to act as agent for foreign trade of technology introduction and equipment importation, Units of Foreign Trade shall go through registration formalities in Department of Foreign Administration.

37 **Article 10**

38 Requirements for the registration of undertaking or acting as
agent for projects of technology introduction and equipment im-
portation are as follows:

39 1.The applicant shall have the right to carry out foreign
trade;

40 2.The formalities must be complete for the registration of under-
taking or acting as agent for projects of technology introduction
and equipment importation (including the “registration Form for
Undertaking or Acting as Agent for Projects of Technology In-
troduction and Equipment Importation”, and a copy of the con-
tract of trust on foreign trade agency formally signed by the two
sides.)

41 **Article 11**

42 When Department of Foreign Administration receives the com-
plete application documents, it shall decide within 15 workdays
whether registration shall be granted.

43 **Article 12**

44 After the Department of Foreign Administration check the for-
malities and find them correct, it shall produce the registration
form for undertaking or acting for projects of technology intro-
duction and equipment importation with the special stamp for
effective registration and a serial number.

45 Unified printing of the “Registration Form of Undertaking or Act-
ing as Agent for Projects of Technology Introduction and Equip-
ment Importation” shall be accomplished by MOFTEC.

46 **Article 13**

Units of Foreign trade shall carry out foreign trade of technology 47
introduction and equipment importation project after the regis-
tration, and together with the unit who launch the project shall
accomplish other administrative formalities for technology in-
troduction and equipment importation in compliance with State
regulations.

Article 14 48

After registration for undertaking or acting as agent for the 49
project of technology introduction and equipment importation,
if relations among parties concerned must be changed or
relieved, they shall re-register in the Department of Foreign
Administration or nullify the registration.

**Chapter 5 - Management of Contracts for Technology 50
Introduction and Equipment Importation**

Article 15 51

Contracts for technology introduction and equipment importa- 52
tion shall take effect upon registration unless State rules and
regulations in force have other special stipulations.

Article 16 53

Contracts for technology introduction and equipment importa- 54
tion shall not:

1.Violate regulations of related laws of the People's Republic of 55
China;

2.Violate relevant regulations of Rules on Management of con- 56

tract for Technology Introduction of the People's Republic of
China and its Detailed Implementation Rules.

3. Violate international duties promised by the People's Republic
of China.

Article 17

Within 30 days of the formal signing of the Contract for Tech-
nology Introduction and Equipment Importation, Unit of Foreign
Trade shall apply to Department of Foreign Administration for
registration.

Article 18

Documents necessary for registration of contracts for technol-
ogy introduction and equipment importation:

1. A copy of legal certificate for qualification of carrying out for-
eign trade;

2. A copy of the "Registration Form of Undertaking or Agent for
Projects of Technology Introduction and Equipment Importa-
tion".

3. Filled "Application Form for Registration of Contracts for Tech-
nology Introduction and Equipment Importation."

Article 19

Department of Foreign Administration shall decide within 30
days whether the registration shall be effective when it receives
the complete documents of registration application for contracts
of technology introduction and equipment importation.

Article 20

After Department of Foreign Administration has checked the
contract for technology introduction and equipment importation
and deem it in conformity with regulations, "Certificate for Ef-
fective Registration of Contract for Technology Introduction and
Equipment Importation" unifiedly* printed by MOFTEC shall be
granted with a serial number.

Article 21

State departments concerned shall go through relevant formal-
ities with the "Certificate for Effective Registration of Contract
for Technology Introduction and equipment Importation".

Article 22

When the contract for technology introduction and equipment
importation has taken effect upon registration, any changes to
it shall be declared to Department of Foreign Administration,
which shall produce a "Revision Certificate for the Contract
of Technology Introduction and Equipment Importation" after
rechecking.

Article 23

MOFTEC shall release the name list of those Units of Foreign
Trade who make an outstanding performance for companies
to choose from, in consideration with their registration for un-
dertaking or acting as agent for projects of technology intro-
duction and equipment importation and the registration of con-
tracts.

Chapter 6 - Information Management of Technology Introduction and Equipment Importation

8275

Chapter 7 - Duties and Penalties

83

Article 27

76 **Article 24**

77 Department of Foreign Administration shall collect, sort, save and analyze the information of technology introduction and equipment importation by means of administrating the technology introduction and equipment importation or other means within its limits of authorization.

78 **Article 25**

79 MOFTEC shall be responsible for gathering, sorting, analyzing and saving the information throughout the country for exchanging information of technology introduction and exchanging information of technology introduction and equipment importation with State department of comprehensive economic management, and releasing it jointly; for providing relevant information on technology introduction and equipment importation for the State's policy-making.

80 **Article 26**

81 In compliance with the regulations above, Unit of Foreign Trade should report to Department of Foreign Administration the information of technology introduction and equipment importation, which is conducive to a solid foundation for the State's macro policy-making.

If Unit of Foreign Trade fails to comply with the related administration procedures of technology introduction and equipment importation as stipulated in the Regulations, Department of Foreign Administration shall punish it according to the seriousness of the case:

1. Circulate a notice of criticism; 85
2. Suspend its qualification to undertake or act as agent for projects of technology introduction and equipment importation in certain fields and trades; 86
3. Suspend its qualification to undertake or act as agent for all projects of technology introduction and equipment importation; 87

Punishments above-mentioned can be imposed jointly. 88

Article 28 89

When there are acts of deception on the part of Unit of Foreign Trade in the registration of undertaking or acting as agent for projects of technology introduction and equipment importation or in the registration for contracts of technology introduction and equipment importation, such penalties shall be imposed by Department of Foreign Administration as:

1. Disqualify it to undertake or act as agent for projects of technology introduction and equipment importation; 91
2. Nullify the registration of contract for technology introduction and equipment importation and declare the contract invalid; 92

If the case is serious enough to constitute a crime, it shall be 93

investigated for criminal responsibilities according to law.

Article 32

101

94 **Article 29**

95 Unit of Foreign Trade who refuses to accept the decision of administrative penalty can apply to the reconsideration Office in MOFTEC for reconsideration in line with the relevant procedures stipulated in Provisions for Administration Reconsideration of the People's Republic of China.

MOFTEC shall be responsible for the interpretation of these Regulations. 102

Article 33

103

These Regulations shall enter into effect from the date of promulgation. 104

96 **Article 30**

97 Any acts that violate laws or administrative regulations by staff of Department of Foreign Administration in carrying out the management system of technology introduction and equipment importation shall be investigated under law or given administrative discipline in accordance with related State laws and administrative regulations.

98 **Chapter 8 - Supplementary Provisions**
