OF OSLO

CONFERENCE PROGRAMME

The Department of Energy and Resources Law of the University of Oslo (UiO) is glad to welcome you at the occasion of this conference on **Legal Aspects of Carbon Capture Utilisation and Storage (CCUS) and Carbon Dioxide Removal (CDR)**. The conference aims to provide a platform for discussion and knowledge sharing on various subtopics within the field of CCUS, industrial carbon management, CDR and the law.

Location: Karl Johans gate 47, 0162 Oslo

- Thursday 23 November: Auditorium 13, Middle Building, West Wing
- Friday 24 November: Kjerka, Middle Building, East Wing. Entrance through the side door of the University Garden.

Attendance:

Please note that the conference will be accessible for physical attendance only from Thursday morning to Friday noon.

On Friday afternoon, there will be a hybrid session. The link for the hybrid session has been sent separately to the registered participants and is available on the conference website.
